Features

Village location, Wooden beams

Description

Casa Borghetto is a lovely village house just 10 km outside of Spoleto. The property is on 2 stories, plus a really old underground cistern which has been converted into a wine cellar. Meticulously restored with top quality traditional materials, on the ground floor there is a living room with fireplace and a dining room / kitchen; on the first floor there are 2 bedrooms and 2 bathrooms. It has no land, but there is some outside space for dining al fresco. Located in a friendly village location, with food shops nearby, near Campello sul Clitunno, where one can find all the shops and services.
