Description

In a 16th century Palazzo in the heart of the Foligno historic centre, a spacious top floor apartment for sale with views towards the Monti Martani. Situated in one of the most elegant areas in a very quiet street, within easy reach of all of Umbria's tourist attractions, this apartment has definitely all the advantages that one could wish for in a town centre: lots of light, a communal garden and a garage included in the sale.

The apartment is composed as follows: from the main door one enters into the spacious living room with open fireplace; the same room is also used as a dining room. To one side there is a kitchen with a small pantry and there are 2 bedrooms and 2 bathrooms. A few steps lead up to another level where there is a studio, which could also be used as an extra bedroom, if necessary.

The total surface area is 125 sq m and the garage, on the ground floor, is 20 sq m.
